

Coca-Cola SPACE SCIENCE CENTER

ASTRONOMY NIGHTS 2020

Jan. 18 Providence Canyon 6:30pm

Feb. 1 Space Science Center 6pm

Feb. 15 FDR State Park 7pm

Feb. 29 Space Science Center 7pm

Apr. 4 Space Science Center 8pm

Apr. 18 Providence Canyon 9pm

May 2 Space Science Center 8pm

THESE DATES HAVE GONE VIRTUAL

Jun. 1 Callaway Gardens 9pm

Jun. 8 Callaway Gardens 9pm

Jun. 15 Callaway Gardens 9pm

Jun. 22 Callaway Gardens 9pm

Jun. 29 Callaway Gardens 9pm

Jul. 6 Callaway Gardens 9pm

Jul. 13 Callaway Gardens 9pm

THESE DATES HAVE BEEN CANCELLED

ALL SUMMER

Aug. 29 Space Science Center 8pm

Sep. 12 FDR State Park 8:30pm

Sep. 26 Space Science Center 8pm

Oct. 17 Providence Canyon 7:30pm

Oct. 31 Space Science Center 7pm

Nov. 14 FDR State Park 6pm

Dec. 5 Space Science Center 6pm

ASTRONOMY NIGHT TIPS

Astronomy Nights are always FREE events!

State Parks do have a small parking fee

Remember to check the weather!

The CCSSC crew will always be on site regardless of rain or clouds. Our astronomers do a great presentation! Only dangerous weather (tornadoes, etc.) will keep us away.

RED flashlights are best!

To preserve your night vision, and that of other guests, please use a red-light flashlight, or cover your white-light with red cellophane!

Feel free to bring your telescope!

We bring a fleet of telescopes for public use. However, you are welcome to bring your own - we are happy to assist you with set up!

Almost set! A couple more things...

When at the state parks, you may want a blanket or chair to sit on during the presentation portion of our night. Also, bug spray is always a good idea, especially in the summer.

We'll see you there!

***Callaway Gardens** - Meet at the Overlook Pavilion, first left from main entrance

***FDR State Park** - Meet at baseball field off Rte. 354, across from Liberty Bell Pool

***Providence Canyon State Park** - Main entrance off Rte. 39C. Meet at field between playground and restrooms
